Homecoming Week

Spirit events highlight week

Homecoming Week got fired off Monday with 'hat day' and musical chairs at noon.

Everyone was plain on Tuesday to go along with 'generic day,' the first dress-up day. The noon activity was a rootbeer guzzling contest.

Costumes such as Mickey Mouse, Superman, and various rock stars showed up on Wednesday for 'hero day.

Thursday, an 'era day,' was a new addition. Students ranging from before the 1900's through the 50's to 2000 visited the campus. Boys' Fed struggled with Girls' League in the annual tug-of-war across the Yellowhawk and students joined together at 7 p.m. for the serpentine to Wa-Hi from Tieton Park, followed by the bonfire.

Friday was the traditional 'blue and white' day and the lunch activity was a food relay. The pep rally took place after lunch when the Homecoming Court was announced.

The Blue Devils hosted the Pasco Bulldogs on Friday night at Borleske and on Saturday night "Dancing in the Streets" was the theme of the Homecoming Dance in the gym.

Finalists for the Homecoming Court were John Golden, Darin Harvey, Joe Harwood, John Kopf, Brock Krebs, Scott McClelland, Reid Nelson, Andy Slaybaugh, Dane Stephenson, and Dennis Talich. The girls were Lanee Alaniz, Lora Baker, Lisa Byergo, Staci Corn, Angela Doyle, Tyra Ferderer, Kristin Gabrielsen, Susanna Osborn, Jill Poffenroth, and Libby Tyson.

(Above) Girls' League tried their hardest to get Boys' Fed into the Yellowhawk but failed once again.

(Center) Kristin Smith and Brenda Neissl exhibit that special Blue Devil spirit on one of the many dress-up days.

(Top) Darin Harvey and Lisa Byergo wait to be led to their place with other members of the Court at the Homecoming Assembly when the court is announced for the first time.

ROYAL BLUE

Royal Blue Staff

The "'New Royal Blue' was selected by the ROYAL BLUE Staff as the theme for this year's book based on the 'new' idea equated with many aspects and products of today's society. Coca-cola introduced 'new' coke, but after mixed reactions changed their label to plain Coke and Classic Coke. Consequently, the staff chose the Coca-Cola Bottling Co. as the site for their picture.

Ray Marrero, editor, and Dirk Muse, photo editor, along with a staff of 18, only nine of them veterans, set out to create something 'new' in annual history.

Fall Festival

Rally inaugurates all-club fundraiser

Rally, the Wa-Hi Pep Club, organized a Fall Festival, which they hoped would become an annual event. All clubs were invited to participate by operating concession stands of all types. The carnival was held on the campus, September 28 from 1 to 5 p.m., and according to Lanee Alaniz, club president, "It was a success!"

Some of the more successful endeavors were the County Jail sponsored by the boys' basketball cheerleaders; the Cake Walk, by JSA; the Bean Bag Throw, Girls' League; the Balloon Dart, Senior Class; Go Fish, Rally; and Rambo Squirt Gun, also by Rally.

(Top Left) Mrs. Norma Long, Rally adviser, and Mrs. Jan Thacker, cheerleader adviser, survey the afternoon activities by their respective organizations.

(ToP Right) The 'cake walk' sponsored by JSA seems to have attracted a number of hungry participants, all hoping to be the lucky winner of a cake when the music stops.

"Rock Around The Clock"

The Girl's League 50's dance entitled "Rock Around The Clock," which was held in the Walla Walla High School Gymnasium Thursday, March 20, was an enjoyable night for many students. Around 145-150 students attended the dance. These students were able to hear the Spokane band called, "Moxy," who played a variety of music.

Adding to the excitement of the dance were many pink and black decorations surrounding the entrance to the gym. Arranged on the pink and black paper were poodles. These decoration's were imitating the poodle skirt outfits that were worn in the 50's. Also a part of the decorations were old 45 records hanging in the entrance.

Students were able to get theis pictures taken at the dance on a motorcycle. A sign with inspiration point written on it was also in the pictures.

Air Jam '86

Boys' Federation sponsored the annual Air Jam on Wednesday, November 26 in the Wa-Hi Commons.

At 7 p.m., eight bands came together to treat the student body to a night of rock-n-roll fun. A good-sized crowd assembled to see students strut their stuff to the music of their choice. The audience was in store for music of all types, as well as costumes ranging from heavy-metal makeup and chains to surgical scrubs to black hats and shades.

Easy Axcess, Kist, and Snowblind presented heavy-metal sounds to the music of Kiss, AC/DC, and Ratt. The UnKnowns played rock-n-roll with the traditional paper-bag-over-the-head from UnKnown Comic fame. The sizzlers — the only all-girl group — presented pop music, while the Blues Brothers gave a great performance with music from everyone's favorite funnymen. Weird Chuck, of course, be-bopped to Weird Al's tunes.

The Air-Jam evening was not an actual competition — there were no judges and no winners or losers. Everyone just got up there and had fun.

The music for the Air-Jam was supplied by the Tri-Sigma and the drums were courtesy of Tim Phillips. The rest of the instruments were supplied by each group.

The money raised by Boys' Fed will go towards Boys' Fed Scholarships.

Terry May sang with the tunes of Arcadia.

Brian Brittain played drums to Tears for Fears' "Shout."

Brad Schilling and Richard Tolley synched music from the Blues Brothers.

Devon Cullum plays to the heavy metal sounds of KISS.

Music of the Pointer Sisters was done by Billie Jo Goodwater.

Chuck Muirhead, along with Gary Spencer, Brad Jackson, and Terra Miller played to the music of Weird Al's "Like a Surgeon."

Exchange

Students Visit Wa-Hi

Exchange students at Wa-Hi this year represented several programs that are available to students world-wide. Japan was the most widely represented with three girls, each sponsored by a different program. Other countries represented were Germany, Mexico, Switzerland, and Yugoslavia.

The students generally agreed that an interest in being a foreign exchange student was the initial step. Then either a test or an application was required. Most of the students' parents contributed to the individual programs in order to finance their child's year's stay in Walla Walla. However, the host families received no payment from the program.

Students were enrolled at Wa-Hi in a regular academic program. Language barriers seemed to dissolve as most of the students spoke fluent English when they arrived. Each lived with a Walla Walla family, some of whom had children at Wa-Hi. For the most part students spent the entire school year with one family, but some did change families mid-year.

Tomoko Ogihara, an eleventh grader from Gunna, Japan, spent the year under the Foreign Educational System Service. Mark and Donna McComas were her hosts for the year.

Alexander Maass spent ten weeks in the International Education Forum from West Germany. He was hosted by Mrs. Terry Baker.

Miwa Mitsuyama, hosted by Ken and Cindy Woltering, visited from Sasayama, Japan. Each year Walla Walla hosts a student from its 'sister city' in Japan and a Walla Walla student spends the year in Sasayama.

Martin Metzler, Titisee-Neustadt, Germany, spent the year with Mike and Linda Howell. He was a member of the American Scandinavian Student Exchange.

Keiko Tsuchiya visited under the Youth for Understanding Program from Osaka, Japan. Sally and Robert Cahill were her hosts for the year.

Anna Wintle, a senior from Monterray, Mexico, was sponsored by the Academic Year in USA program. Leonard and Florence Adams hosted her for the year.

Ivana Klun, a student in the American Academic Youth Exchange program, spent her senior year at Wa-Hi. She was hosted by Joe and Debbie Frazier.

Brigitte Dietlin, a senior from Porrentruy, Switzerland, was a Rotary Exchange Student. She was hosted by Bill and Marianne Parker.

Drama

Drama 401 was offered as an English credit first, third, and fifth periods during the school year. But, according to Mr. James Wamble, the fifth period class excelled so much during the first semester that it turned into an Advanced Drama 445 credit at the beginning of the second semester.

During the '85-'86 season, a night of drama was produced once a month. On two occassions the drama classes invented their own skits and competed against each other in the Skit-Off. The winners were selected according to the audience response. The remainder of the productions were presented by the second period advanced squad which only had 30 days to perfect a new play.

"This year was the best year so far," said Mr. Wamble. "The Advanced Drama classes have been very productive and in turn put out high quality performances."

At the present time, 100 students were enrolled in the drama classes. Mr. Wamble credits this to the fact that students like to get up and perform in front of others. Not only that, everyone gets a chance to act whether they are good, bad, or mediocre.

Kelly Bunch and Reed DeRemer play roles as father and daughter in "Popcorn."

Mr. James Wamble, drama instructor, advises, "If you're going to be a performer, be a bold performer."

Jenny Mitchell and Melanie Bowen play roles as girlfriends in "Not Necessarily an Emergency."

Mike Mundt and Brad Schilling in "Not Necessarily an Emergency."

Tim Landon, Tammy Spencer, Kristen Murphy, Kari Anderson and Tracy Peterson performed "Nobody Sleep."

Shela Cates does "Who's on First."

Selected Artist

The original purpose of the selected art classes was to provide greater flexibility in scheduling and to provide different course numbers for the students enrolled in the art program for more than one year.

The selected artist program is much more student directed as the area(s) in which the student will work are selected by the student and approved by the instructor. It is essentially student directed and an independent type program. There is a tremendous responsibility on the student to produce quality art work.

The work that is completed during the year (by any student) can be exhibited and entered in various art competitions. The most prestigious award is to have work accepted in the State Superintendent's Annual High School Art Show. If the work is selected as a winner, it is awarded a $200 purchase prize and becomes a part of the permanent collection.

Other exhibits during the year are the Congressional Art Show, the Carnegie Center Art Show, the Southeastern Washington Fair, and new this year, the Superintendent's Art Show (School District #140). It is an honor to have work selected to be entered into any of these shows, and even more so if the entry is selected as a winner.

Trends

Music Influences Fashion

Without skepticism one can truly say Wa-Hi has its diversity among students' dress and appearance.

The '85-'86 school year proved that in every respect. The most obvious would be in the students' hair styles and dress.

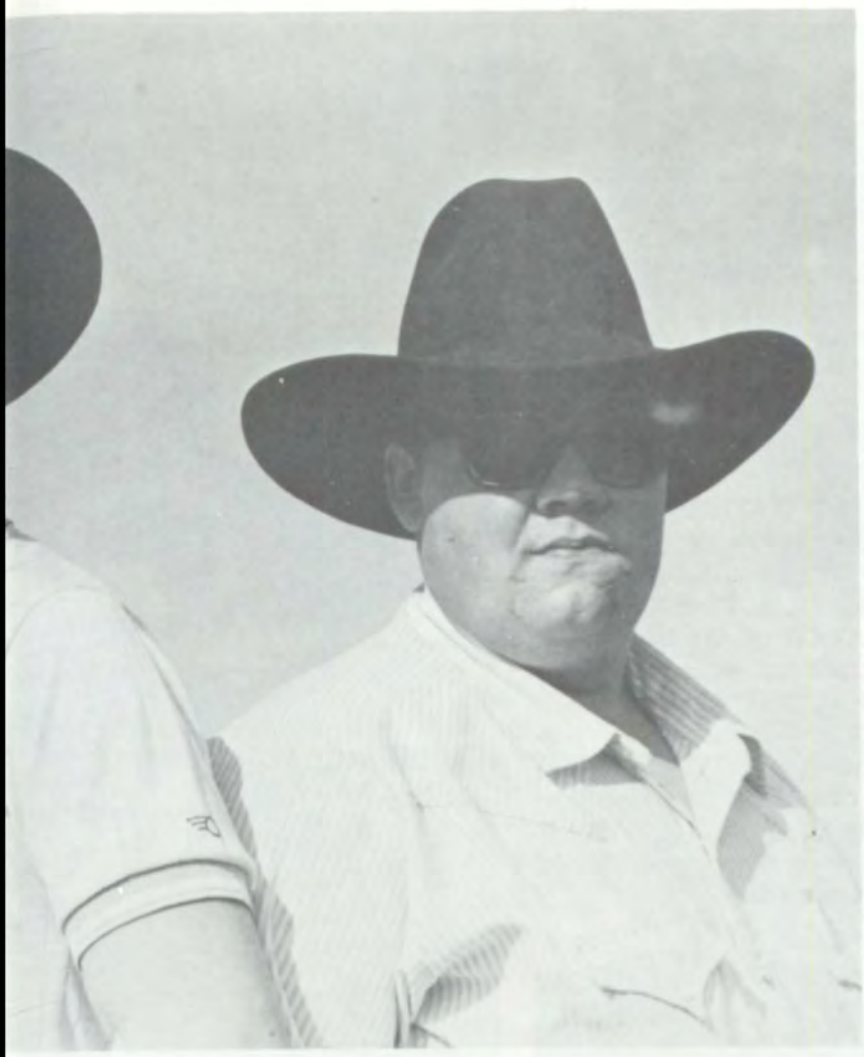
Students have numerous influences on their apparel, the most popular influence being music whether it be heavy metal, punk, new wave, or country. Each takes on its own mode of expression. Other influential areas would be television shows, such as "Miami Vice," and popular magazines such as "Vogue" and GQ.

If one was to remember anything about this school year, it might be the variety of personalities and how they influenced fads and fashions.

(Center) Jeff Oliver and Kurt Krull could always be counted on to reflect the western influence of our community.

(Bottom Right) A popular men's magazine, "GQ," influenced the male fashion scene as shown by Victor Trejo, while "Seventeen" may have been the influence for Natalie Rupar's choice of clothes.

(Below) Heavy Metal could have influenced Tim Langdon and James DeCrick to appear in these customized outfits.



(Above) Angie Walker and Richard Willbanks model definite musical taste in their school attire.

(Left) One of the current musical trends, New Wave, had the most far-reaching effects on hair styles as shown here by Kim Davidson.

Vocational Education

Provides Training For Employment

Building on the sound foundation of basic education, vocational education in the Walla Walla public school system provides specific training for employment. At Walla Walla High School, vocational education classes may lead directly to entry-level employment or channel students into more advanced vocational education programs such as those offered by Walla Walla Community College.

Vocational education gives students skills and knowledge for specific occupations. The main method of instruction is 'hands on' experience, in a simulated work situation or an actual job site. Vocational education is a practical alternative for youth who want immediate training for employment. It is 'paycheck training,' designed for those who are ready to earn a living or finance further education applying vocational skills.

ASB Officers Take Action

President Brad Schilling

Vice-president Mark Mulkerin

Secretary Scott McClelland

Treasurer Kayle Price

Upon their election last spring, ASB officers selected cabinet members whose first job it would be to plan for 1985-'86. Brad and Mark then attended a leadership camp at Cispus, where they met with students from all over the state to exchange ideas.

In the fall, a similar conference was planned by Wa-Hi's officers for the ASB Cabinet in the Commons.

Sophomore class officers joined the cabinet upon their election in October. Also, this month cabinet members attended the WASCO conference at Pasco High School, where they heard how ideas presented earlier were being implemented.

An effort at more school involvement and "words of wisdom to live by" will remembered as the goals of this year's ASB officers.

Jazz Combo Exhibits Unique Style

JAZZ COMBO — Jodi Radtke, Lawra Gosselin, Cecily Fuhr, Brian Howell, Lynn Robersin, Mark Howard, Glenda Montgomery.

The Jazz Combo (better known as Queen Melba and the Jazz Muffins) this year celebrated their third anniversary of bring "crass with class" to the Wa-Hi commons. Their unique blend of jazz-funk-pop-polka stylings has once more brought joy and pleasure to tens of hundreds of people. Critically acclaimed as "by far the best small high school-aged semi-professional student-led non-toxic jazz group inthe Walla Walla Valley," the combo this year took third place as the Moscow Jazz Festival. When asked about future engagements, however, the group seems uncertain.

"Well," said saxophonist Cecily Fuhr, "we might play with the stage band in May, or we might go on the Queen Melba 1986 Southeastern Washington Jazz Wave Tour, or we might not."

Be that as it may, the Combo has something to be proud of. Way to go guys!

"Leaders for the New Fields of Agriculture" is this year's high school Agriculture and FFA theme.

The theme, which is emphasized during National FFA Week (February 15-22), acknowledges the changing nature of the field of agriculture. FFA students will learn about the computer, biogenetics, economics, and aquaculture careers — just a few of the more than 200 new fields that agriculture has to offer young people.

High school agriculture programs and FFA organizations teach students the skills they need to prepare them for careers in the agriculture industry.

FFA has been promoting leadership, cooperation, and citizenship among students since 1928.

FFA, FHA Promote Leadership

FHA is a National Youth organization. Its purpose is to help individuals improve personal, family, and community living through planned and organized activities.

Officers were elected at the beginning of the school year: Tammy Spencer, President; JoAnn Hooker, Vice-President; Susan Luong, Secretary; Audrey Joscelyn, Treasurer; Elsie Nelson, Publicist; and FHA advisor, Mrs. Mirney Wagner.

This year's activities involved work with the handicapped and elderly. Also, FHA helped promote community organizations such as Dress a Living Doll and the March of Dimes.

FHA members were also involved in Vocational Week and FHA Week which both helped to promote education in schools and communities.

It would be easy to let the ol' cliches roll out . . . "They never quite; we built character this year . . . It was a building year . . ." but the season had so much more depth than a few general athletic cliches. The hard facts are that we were 4 and 5, lost three games that we could have won - not should have - and ended up fifth in the league. Through it all this team possessed a winning fiber that bound every player and the coaching staff together in a fight for a common goal. They possessed that special personality and toughness that personifies winners and in the process set an example and standard for other Wa-Hi football teams to emulate in terms of just what being a member of a team and organization with commitments to a common goal are about. They personify what any organization tries to develop in order to be a success, whether it be an athletic team or in the business world.

Football is a complicated game with a few simple rules. It's not for everybody and you must be tough physically and mentally to make it. The lessons that are taught daily in football are the very roots of human life, joy, laughter, humility, loyalty, responsibility, pressure, pain, etc. This 1985 football team and its coaches faced it all together. We celebrated our victories and suffered our losses together and in the process became increasingly aware of what it means to be a TEAM.

A misfired field goal, an untimely interception, a fumble on the four - short trite statements that mean very little to the average reader but virtually wrap up an entire season for our football team and its coaches. We have to ask ourselves where is the limit of a player/coach? Did we play and coach above our abilities to get as close as we did or could we collectively tried a little harder and been a little better—good enough to win the close ones!! Where is it in life that we can say: "I gave all I could and it wasn't enough." Yet we know that in life it's the getting up after we have been knocked down that is the real test of a person's values, and really to win or lose isn't even an issue. It's the crawling to your knees after you have given your best in a losing effort and preparing for the next battle. That is the sign of a real

VARSITY FOOTBALL CHEERLEADERS: Kristen Gabrielsen, Lora Baker, Tyra Ferderer, Michelle Stevens, Staci Corn, Angela Doyle, Susanna Osborn

winner, and we know that it's the fighting to attain a goal rather than accomplishing the goal that builds strong lives. So this Blue Devil football team, winners in every sense of the word, fought, gave their best, sacrificed for the group, and set examples for future Wa-Hi football teams to follow. They were a team in every sense of the word and they're to be congratulated. As one coach put it: "This is a football team that you could coach forever, and one you just flat enjoy being around."

This season the Wa-Hi football program experienced the largest turnout of sophomores in recent history.

Fifty-four athletes completed a season which saw the team finish with a record of three (3) wins and six (6) losses while competing in what has become one of the strongest leagues in the state.

Individual honors went to Jerry Marshall who was named the team's Outstanding Defensive Lineman and Freddy Garza who won the Offensive Lineman of the Year Award. The Offensive Player Award was earned by fullback John Sirmon while the Defensive Player of the Year was middle linebacker, Jono Grant. The Most Improved Player Award went to Todd Snell, and lineman Scott McIntosh received the Most Inspirational Player Award.

The 1985 cross country season was bittersweet as we failed to qualify a team for state competition for the first time since 1979. The girls were hindered by injuries all season but depth allowed them to finish with a 7-4 winning season. The boys' team worked hard but the transfer of four key runners caused them to struggle to a 2-9 record. There was a bright spot on the boys' team however as Kieth Parkins ran among the best in the Big 9 all season. Kieth was Wa-Hi's lone entry in the state meet where he finished a very strong 24th in a field of 135 state qualifiers.

The girls return 4 of 7 varsity runners and the boys return 5 of 7, so 1986 should be a better year for the Wa-Hi runners.

Volleyball

The 1985 volleyball season was a growing year for the Blue Devil spikers. The team was made up of 5 seniors, 2 of which were permanently benched because of injuries, and 8 juniors. Three and sometimes 4 of the juniors started regularly throughout the season. Audra Krussel, Cheryl Hills, and Kristin Paulson, senior starters, provided leadership on and off the court.

A thrilling 5 game come-from-behind win over Kamiakin was the highlight of the season. The team also did very well at the Wenatchee Invite, defeating several teams from the Seattle area, and coming in third behind Wenatchee and Ike, the only other Big 9 teams present. p79

Wa-Hi Boys Place 6th At State

If you followed "Blue Shoes" basketball in 1985-'86, you definitely had to have a strong heart and a flare for the unusually exciting. Seven games were decided either by one or two points or in the final seconds, and six of those games were won by the Blue Devils. Both the League Championship game (3 OT's) and the District Championship were won by last second field goals by Bruce Reed. Bruce also hit a 25 footer to beat Pasco at home. Brian Gwinn drilled a running one-handed 35 ft. shot to beat Pasco in three overtimes; Andy Notaras knocked down an errant pass, hit a 14 ft. jumper, and beat Richland at the buzzer. All these amazing finishes capped an unbelievable 22-5 season for the Big Nine and District Champion Blue Devils. We carried those championships to Spokane to beat Central Valley and qualify for the State Championship Playoffs. Running into foul problems, the Blue Devils still managed to garner a sixth place trophy in the tough State Tourney field of eight.

This fantastic season was a very fitting end for ten hardworking seniors. They are Brian Gwinn, Grey Turner, Reid Nelson, John Golden, Pat Wells, andy Notaras, Trey Ballard, Darin Harvey, Bruce Reed, and Brian Gies. Everyone of them contributed to the total team effort which extended beyond the Big Nine, District, Regional, and State play. Included in the list of accomplishments were tourney championships in all summer tournaments participated in 1985. And in all games played in 1985-'86, the Blue Devils amassed a remarkable record of 72-9. This Blue Devil team is definitely going out a winner!

There were many individual accomplishments also. Brian Gwinn was named to the All Big Nine First Team. Andy Notaras was named to the All Big Nine Second Team. Bruce Reed was honored as an Honorable Mention selection. Reid Nelson was named the team's M.V.P. along with Bruce Reed. Accordingly, Bruce was also the team's Most Inspirational Player. Grey Turner, the air-craft carrier, was voted the team's Most Improved Player.

Probably the most phenomenal thing this season was the community and student body support. No other AAA team in the state had better support this season. This was really evidenced at the sold-out League, District, and Regional Playoffs. At State, over 2,000 vocal Wa-Hi supporters turned out to show the rest of Washington State who the Blue Devils really were.

As the head basketball coach, I want to take this opportunity to thank everyone responsible for an outstanding season. But mostly, I give thanks to my players for a season that I'll remember for a long, long time. I wish them the best in their college careers.

Thanks.

Jim Thacker

Girls' B-Ball

Lynda Laughery is a co-captain who's leadership is through example rather than words. Lynda leads the Big Nine scoring with 17.2 points a game and 14.5 rebounds.

Lynda's strong points include her fine shooting touch from 15' as well as in the around the hoop, her ability to see the court providing scoring opportunities for others with her passes and her positive outlook towards her teammates. Lynda is the backbone of this team's success and in return the team's success is a reflection ofher.

Lora Baker was co-captain along with Laughery. Lora has the ability to play both guard and yet go inside and post up. She is a very unselfish player leading the team with assists at a 6.2 mark. Lora's strengths include her ability to penetrate to the hoop and find the open player, an aggressive defense and a "never quit" attitude.

Michelle Michelson a reserve guard, Michelle's presence is most felt through her enthusiasm and her ability to put the team ahead of her own personal goals. Michelle has a consistent shooting touch at 15' and plays smart defense. Tagged as one of the most knowledgeable players on the team-"Having Michelle on the court, bench or in practice is like having another coach there."

Julie Headley a point guard and one of two left handers on the team, Julie brings to the team a consistent outside shooting touch and quick ball handling. Julie many times throughout the season has dominated other point guards through her aggressive denied defense. Julie brings to the team a control style of player and dependability.

Jill Poffenroth, Jill is a swing player, doubling as a guard and as a post player. Jill's quiet determination in attitude reflects in her positive approach to the team and her encouragement is greatly felt. Jill's strengths include her offensive rebounding ability and her soft shooting touch.

All five seniors have brought to the team a sense of determination and enthusiasm. By their own personal drive for success they demonstrate the qualities of winning.

Michelle Michelson waits impatiently for the rebound.
Laura Ridler finds an open shot outside of the key.

The 1985-86 Girls' Basketball Team was young and inexperienced but played with determination and heart. With a new coach and a new style of play the Blue Devils were exciting to watch. Defensively the team used man to man majority of the season trying to force teams out of the offense. Offensively the team was based around the inside scoring of senior Lynda Laughery (17 pt. avg., 12 rebounds) and Sandy Gehlhausen sophomore (12 pt. avg., 7 rebounds) and the outside scoring of Angela Bergevin (11 pt. avg.) and pin point passing of guard Lora Baker (5 assist avg.). Transfer student Laura Ridler provided the rebounding and defensive punch. Seniors Michelle Michelson and Jill Poffenroth were the real inspiration behind the Wa-Hi success. Finishing the season 15-7 and third place in the Big Nine, the quality of players coming back next year makes the future look bright. The season saw junior guard Kelli Tennent break into the record books with 14 of 14 consecutive free throws breaking Lora (McMurdo) Clendaniel's record of 13 set in 1983.

Point guard responsibilities were shared by Julie Headley (senior) and Chris Jamison (sophomore). In addition to their directing the Wa-Ha offense, they both were considered the team's top defensive players. Katy Milgard (sophomore) was our inside/outside punch, playing high post when Sandy or Lynda went to the bench and with a soft shooting touch was able to score at the wing spot. Heather Ingalls (sophomore) a fine ballhandler and shooter was injured in the Davis game but with her ability and hard off-season work she will be back stronger than ever.

'85-'86 Wrestlers, A 'Rookie' Bunch

1985-86 began as the year of the unknown. No State veterans, no Regional veterans. Indeed, only two returnees who had competed in the District tournament of a year ago. Experience was a luxury no Blue Devil had. They were a "rookie" bunch.

An early season goal was to improve with every week; to gain the respect, if not the defeat of our opponents. Let the record show that these Blue Devils achieved that goal. With a team consisting of four seniors, four juniors, and five sophomores, they met the best of three states. Not many matches were won; not one was surrendered. We were outskilled or physically dominated; we were not out fought.

Senior leadership was much needed by this young group. Senior leadership was well provided. Keith and Dale assumed the responsibility from the first day. In practice, on trips, and during competition they provided the guidance and support that this young group needed to grow. Gary gave us that special twinkle to keep us loose and keep it fun when it seemed that all there was to wrestling was gruelling workouts. The value of our seniors contributions was important to this young team. This team will continue to see that value grow as it matures. Thanks. What of that youth? They learned a lot. They learned that nothing is free in the world of competitive wrestling. They learned that successful wrestlers all pay the price. They learned they don't like to lose. The question that remains: How much?

Friday Night Live got underway Saturday night December 14th in the commons. The fun-filled evening was sponsored by Mac Bledsoe's homeroom which profitted $614 to go towards a new wheelchair for Bill Groom. The evening got fired-up with "Kiss the Pig" contest. Unfortunately because of cold weather a guinea pig was substituted. Any homeroom could pick their own representative and raise money. The rooms who collected the most money sent their representative to "Kiss the Pig." The participants happened to be Kevin Sullivan from Mr. Tomlin's homeroom and Mac Blesoe.

The "Pie in the Face" contest followed. Mr. Neher, Mr. Bledsoe, Casey Clark, and Steve Sutton were the contestants, by means of students who contributed the most money to their favorite person. The students seemed to have taken a great interest in Mr. Neher who raised $28.50 and left Casey Clark pie-free.

Also the popular 'Gong Show' was held. Appearing were Ed Reese, playing his synthesizer; Casey Clark, doing a whistling act; Mac Bledsoe, making his debut with his harmonica; and the band Krystal playing hit songs. Krystal came away with a score of 26 to win. Unfortunately Mac was the only one to be gonged. Judges were Mr. Gregg Garland, Mrs. Evelyn Gau, and Mr. Dick Cook.

Tom Fox, Ruben Mendoza, Chris Lacey, Sadie Revels, and Aaron Anderson made up the squad of "Mr. Wa-Hi" challengers. Ruben Mendoza created an Incredible Hulk out of himself (somehow) and collected the most donations to win the trophy and title 'Mr. Wa-Hi.'

One thousand copies of the Royal Blue were printed by Jostens Printing and Publishing of Visalia, CA. Sales representative for the book was Mr. Walt Wilson. Pages were printed on 80# enamel, endsheets, on 65# stock.

All copy was written by students in journalism, Journal Staff, or yearbook staff. All copy was printed in Avant Garde and headlines, the same.

Individual underclassmen were photographed by Van Kelly of Yakima, WA. Seniors chose their own photographer. All group and candid photos were taken and processed by student photographers. Color processing was done by Wirshce of Spokane, WA.

A spring delivery book, this publication will be complimented by a spring supplement of 20 pages, printed locally.

The staff wishes to extend a special thank you to Mr. Norman Adams, a local artist, for his help with the cover design.

This was a very exciting season with the most excitement coming at the State Track meet when Libby Tyson set two school records on her way to winning both the 1600 and 3200. It is very rare for one person to be able to win both of these events in one year.

Another exciting part of the season was the amount of school records that were broken, a total of nine. The oldest record, the discus, set in 1975 was shattered by Cheryl Hills with a throw of 123'9''. Some of the records were broken more than once. One of these was the 400 meters which hadn't been broken since 1979 but Kay Knowles and Renee Chamberlain took turns breaking the record.

BOYS' TRACK

Again, like the 1985 team, the 1986 version of Wa-Hi's Blue Devil track team found themselves 7-0 and then 8-1 in dual meets and in the chase for the League Championship right down to the last meet. Ultimately they wound up at 8-3 and in sole possession of third place. It was a fine year for a team effort. Like 1985, the 1986 track team relied upon depth to score highly in dual meet competition. Often it was the second and third place finishers that proved to be the margin for victory.

The addition of Harvey Wellington to the staff brought new drive and enthusiasm to the team to bolster the steady production of quality distance runners by Ron Huntington. This was a truly exciting team which is now undefeated in two years at home.

As the season drew to a close the Big Nine competition became fierce for this year only the first place finishers went to state. The Blue Devils again sent two competitors to the state meet in Tacoma. For the Second year in a row Wa-Hi had the top discus thrower at district when big Ron Koester threw the discus 157'8" for first place and a new school record. He went on to place fifth at state for the culmination of a truly fine high school career. Ernest Aldridge, a first-year senior trackster, placed first at district with a jump of 21'8½" to earn a trip to state where he placed eleventh out of a field of 18 of the state's top jumpers.

Also, in a mirror of last year, a sophmore, Jerry Marshall, was voted the most valuable athlete. Brock Krebs was selected as the honorary team captain for his fine leadership. Scott McClelland was voted most inspirational for his always "Gutty" performance in the 400 and his electrifying finishing in the 4 x 400 relay.

The 1986 season closed with a strong senior class of leadership and exciting performances followed by a very aggressive group of underclassmen gobbling up points behind them. 1987 looks to be even brighter for the Blue Devils.

In summarizing the 1986 Wa-Hi Baseball season, I would have to say that it was a season in which we didn't get very many breaks. Evidence supporting this is, we lost four 1 run games and went 11 innings in another before losing 11-4. But this year was filled with more positive happenings than negative Among those were a winning season for the first time in a decade; sending 4 players (John Golden, John Kopf, Kirk Harper, Derek Tyler) to the state all-star feeder game; and two players (Kirk Harper-1st team and Derek Tyler-Honorable Mention) receiving All Conference recognition.

The season started with 4 straight non-league games and 4 straight wins. Then league began and we started slowly losing 4 of our first 6. We went to Pasco next and took two tough games from them which turned out to be key wins. Next, we were swept by Kennewick, but after that we won 4 in a row from Moses Lake and Davis before bowing to League Champion Richland twice, the first one in 11 innings in what has to be the most exciting game I have been involved in. Winning 4 of our last 6 enabled us to finish 4th and make the District Playoffs.

We began the playoffs by defeating Wenatchee 6-0 in a loser out game. This put us in the District Semi-finals against league champion Richland. They saw us take a 6-1 lead into the 4th inning before we stumbled and finally succumbed to them 9-6. The next weekend we lost to Kennewick 2-0 in another loser out game, which ended our season.

The 1986 softball season saw a turnout of 48 players, most of whom were sophomores and juniors. The varsity squad was cut 16 players for the opening of the season and then reduced to 15 when one quit. Of the 15 varsity players, there were only 4 seniors: Lynda Laughery, Lana Henderson, Kellie Bunch and Heidi Daniels.

This young team started off the season by opening at Lewiston, Idaho, playing with a smaller ball, different rules and promptly lost both games. Next came the other two non-league games with the Hanford Falcons. The Blue Devils played well, but were defeated again in both games.

Throughout the season the team continued to improve until they were competitive with everyone they played. At the end of the season, the team deadlocked with Wenatchee and Davis for a tie for seventh place. The Blue Devils played well in the playoff game, outhitting Wenatchee 14-8 but lost the game in the sixth inning by a score of 9-8 to end the season. With 11 seasoned veterans returning and a powerful group of sophomores on the JV team, the coming season of 1987 looks very promising.

TENNIS

The Wa-Hi tennis team had a successful year. The Blue Devil girls had their best season in recent years, finishing 3rd in league with a season record of 8-3. Completing their season record with a 2nd place in league action, the boys have captured this titled for two consecutive years. Their season record was 9-2.

A strong mixed doubles combo, Bruce Reed and Marie Muzzall teamed up to capture first place at the Inland Empire High School tennis tournament. Wa-Hi claimed second place over-all, the best in the teams history.

Bruce Reed let the boys singles action with an impressive winning record of 6-2. Nate Campbell and Chris Meier, at first; doubles, finished the season with 7 wins and only 1 loss.

Helping the team by playing against the best players in the state, Marie Muzzall, at first singles, finished with a record of 6-6. Kristi Linke and Carrie Burris, first doubles, were a tough doubles team that performed well and completed the season undefeated.

Chris Jamison, #3 doubles, sets up a smashing serve.

The 1985-86 Blue Devil Golf team was young but eager and enthusiastic. The varsity consisted of one senior,five juniors, and one freshman. The team started slow, but finished strong. At the District Tournament the Blue Devils finished 5th, beating four teams that they had lost to earlier in the year.

The varsity letter winners for this season were Joe Kent, Shane Flanary, Mike Stalder, Jon Henry, Matt McKern, Ty Johnson, and Jason Boyatt. Joe Kent was elected team captain and was also winner of the "Low Scoring Average Award," given to the varsity player with the low scoring average for varsity matches.

Twelve different players participated for the junior varsity team during the season.

JV GOLF--FRONT ROW: Brad Kinzer, Kenny Ray, Steve Rudd. ROW 2: Michael Parker, Andy Borgstadt and Greg Frandsen.

ROTC REVIEW

Wa-Hi's Jr. ROTC Battallion, numbering 140 cadets, gathered on the football field for the sixty-seventh Annual Review, May 2, 1986.

Reviewing officer for this year was Franklin B. "Pete" Hanson, a retired Walla Walla School District Administrator.

FAREWELL

Bob Devine came to Wa-Hi in 1984 to teach French and Spanish. He completed his internship for athletic directorship under Bill Bieloh and coached JV girls' basketball for two years. He initiated a new interest in the French Club which he hopes will continue in his absence.

He and his family will move to Sequim, WA where he will begin a French program at Sequim High School.

Jan Anderson has taught in the resource room at Wa-HI since 1978.

She and her husband will move from Walla Walla in order to work for Bell Laboratories in computer research. She would like to continue in the classroom in their new location.

Donna Evans has replaced Fred Sporleder in Special Education this year.

She and her husband will be moving East where he will work for Republic Airlines. She plans to stay at home for a couple of years with her two girls and new baby on the way.

Georgina Scherzer has been teaching in the secondary credit exchange program in the spring and has been the migrant teacher since her arrival at Wa-Hi in 1984.

She and her husband will move to San Luis Obispo where he will teach at Cal Poly. She would like to continue in bilingual education or foreign language instruction.

BATTLE of the BANDS

BY KERRY COLBURN

The annual Battle of the Bands was held May 20 in the Commons. This year the Battle was sponsored by the class of '86.

Loads of fans turned out to cheer on five Wa-Hi bands. The first band out at 7:30 was "The Electric Monkey Kazoo Orchestra," consisting of Brian Johnson, Richard Tolley, and Mike Waiblinger. This "punk" band played such classics as the Batman theme and Leave it to Beaver. Between songs they advertised the Melvyn's concert.

The next band was "Infinity" including Todd Eggers, Darren Jackson, Jim Patterson, Trent Tarter, and Chris Cain. They rocked the crowd with songs such as Judas Priest's "Breaking the Law" and a rendition of The Kink's "Paranoia."

"Wayward Distractions" consisted of Brian Howell, Greg Matthews, Grant Robbennolt, and Branan Wagaman. They gave the crowd a different sound than the previous bands, playing music from Joy Division.

The fourth band to perform was "Bondage" with members Devon Cullum, Tim Gilman, And Charles Royce. They played heavy-metal tunes from Kiss and Dokken.

The final band, Krystal, was worth the wait. Veteran players Steve Mendoza, Jim Moore, and Mike Young played music from Rail, Van Halen, and Judas Priest, among others. The band welcomed debuting lead vocalist Lisa Borgstadt for their third number. Lisa sang "Heartbreaker" by Pat Benatar (of course).

The sound and equipment was supervised by Jarrod Sumerlin and George Flippo.

Exact figures are not available but it seems that the audience helped raise over $600 to benifit the Senior Class and their upcoming activities, while experiencing some great entertainment and some hot rock and roll!

YAMATE

The Yamate exchange students departed from the Wa-Hi academic parking lot May 3, after two weeks of activities designed to teach the Japanese students some of the American culture and also to give Wa-Hi students an introduction to Japanese culture.

A Japanese cultural display was presented during the first week of the visit. Held after school in the science building, students, parents and friends had the opportunity to experience Japanese cooking, a tea ceremony, paintings, origami and outdoor activities.

During the second week after a potluck attended by students and host families, the Japanese students presented a program featuring dancing, skits, judo and kempo exhibitions, and finally a traditional Japanese dance in which the audience took part.

During the two week visit, the Yamate students, in addition to experiencing life in an American home and education in an American school, participated in many sports and activities.

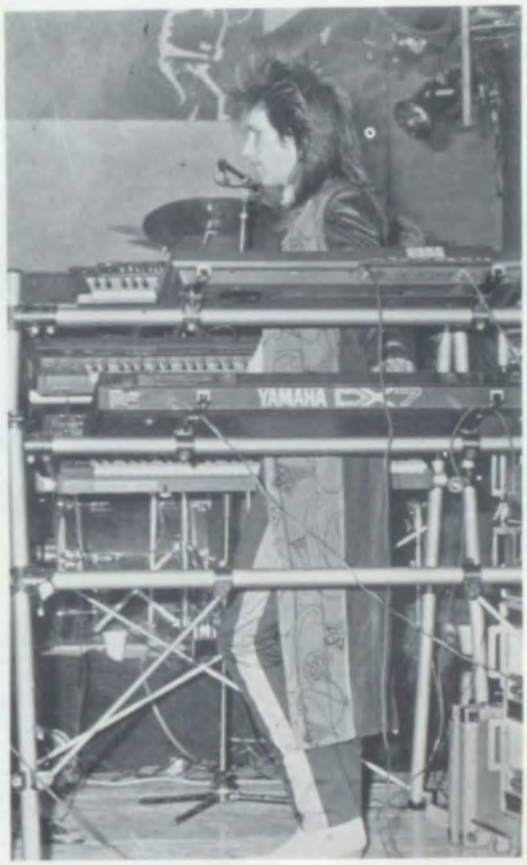
SPRING FORMAL

The ASB sponsored the Spring Formal dance, "Rags to Riches," on April 18, 1986.

The dance, which was held from 8:30-11:30 in the Wa-Hi gym, attracted approximately 145 couples, at $8 per couple. The band was a group from Seattle called "The Excitor," and the pictures were taken by Dorian.

The decorations, made by the ASB Cabinet and a few other volunteers, started with the entrance of the gym, scumy and dirty-looking, then changing in the gym area to look rich and expensive.

All in all, the dance was dubbed a success, with the ASB Cabinet netting approximately $85 from it.



BACCALAUREATE

Baccalaureate for Wa-Hi's graduating class of '86 was held at Cordiner Hall June 1.

The Reverend Keith Krebs presented the invocation. Scripture readings were given by Angela Doyle and John Golden. A prayer was led by Dena Curtis.

The sermon, "We are what we think," was delivered by the Reverend Dan Hotchkiss.

The Reverend David Thompson gave the benediction. The Choral Benediction was directed by Kenneth Coombs.

The Wa-Hi choir provided the music, under the direction of Mr. Paul Dennis. Organ music was provided by Arturo Rameriz.

Friday, June 6, 1986 saw 376 seniors graduate on the Wa-Hi campus at 7:30 p.m.

Following the National Anthem and "Pomp and Circumstance" by the Wa-Hi band, the invocation was delivered by the Reverend Andrew Jarvis.

"We Are All as One" was the student commencement address. Dane Stephenson, master of ceremonies, introduced the speakers: John Golden, "Our Night;" Lisa Byergo, "Believe;" Angela Doyle, "Risk;" and Kristin Smith, "My Challenge to You."

Awards were given out by Principal Richard P. Neher. Diplomas were presented by Mr. Douglas Bayne, school board president, and Dr. Dennis Ray, superintendent.

Following the presentation, Mark Van Bebber delivered the benediction.

GRADUATION

Awards and trophies were presented to the members of the Class of '86 at the ninety-fourth annual commencement by Principal Richard P. Neher. Graduation speakers (listed on page 17) were given Commencement Speaker Trophies.

The Florence McGovern Scholastic Award was received by Ivana Klun, Dale Wilson, and Laura A. Anderson.

The Marshall Alexander Speech-Drama Trophy was shared by Brad Schilling and Jenny Mitchell.

Chad Guisinger was honored by the Legislative Assembly Award; while Tim Thompson was recipient of the Lawrence Jacky Award.

The Brown Trophy was awarded to John Golden and the Lehnen Trophy, to Libby Tyson.

Arion Foundation Awards were received by Cecily Fuhr, band; Tim Loar, choir; and Kristie Johnson, orchestra.
